

ActionCLUB Coaching Program

With Coach **Chris Smith**

Dates: Starts 29th May 2014 (8 Sessions Fortnightly)

Time: 5:30pm to 8:00pm

Venue: No. 8 The Crest Office Park, Dawood Close, Ballito

Aim:

By the end of the workshop, participants will:

- Be able to market their businesses much more effectively;
- Have begun to develop business systems to accommodate future growth;
- Have a greater understanding of how to interact with people; and
- Put the plan to success into Action.

Approach:

There are 7 sessions held fortnightly with a bonus 8th evening. Each session will advance the participants' understanding of marketing and other issues regarding getting the maximum from their business.

The sessions will be interactive and activity based, where applicable, and the emphasis will be on learning by doing. Participants will be required to put relevant learning into practice in their business and provide feedback to the group on successes and challenges.

Reference Books:

Each participant will receive **three** books that are included in the registration fee. They are Brad Sugars' books Instant Cashflow, Instant Advertising, and The Business Coach. Alone these books provide **R1050 of value** ... Participants will also be encouraged to read other recommended books.

One to One time:

Each Company will invest 1 hour up front with their Coach and one hour at the end of the 14 weeks again with their Coach. The up-front session is designed to get you off on the right foot and of course the last is to keep you moving in the right direction ...

Participants:

Each Company is entitled to bring up to two people for the entire program, possibly alternating participants for several more applicable sessions; however the main participant is seriously advised to attend all sessions.
