

Date:
6 March 2014

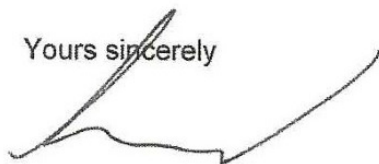

Enquiries:

Dear Chief Executive and Valued Key Industrial Customer

ELECTRICITY SUPPLY – NOTICE OF ELECTRICITY CONSTRAINT

1. Following due consideration of the Emergency Response Command Centre (ERCC) based on the advice of the National System Operator, a decision has been taken, to invoke the process provisions of NRS 048-9 and declare a Stage 1 and 2 system emergency from 6:00 on the 6 March 2014.
2. Consequently, you are hereby requested to immediately reduce your load consumption by a minimum of 10% and to remain so reduced until such time as notification of the system having stabilised has been communicated, at this stage envisaged to be at 21:00 on the 6 March 2014.
3. As a consequence of this extreme measure, you are advised to pay attention to the following:
 - 3.1 You are accordingly advised to take all necessary precautions to avoid any damage or harm that may occur in the event that your supply is interrupted.
 - 3.2 Eskom is doing all that it can to normalise the supply as soon as possible and your immediate co-operation will assist in this regard. Until such time as you are informed that the emergency situation has been resolved, you are requested to keep all precautionary measures in place.
 - 3.3 We will keep you abreast of the developments in this regard through your Key Customer Executive.
 - 3.4 We would like to express our appreciation for your co-operation and apologise for any inconvenience caused

Yours sincerely

BA DAMES
Chief Executive
