

## Bridging the gap between project promoters and funders

### KZN Funding Fair – April 2014

In 2013, the inaugural KZN Funding Fair (an exciting public-private partnership between Deloitte KZN, the KZN Provincial Treasury and the Department of Economic Development & Tourism) saw more than R300 million of funding secured for corporate development projects across various industries.

Selected entrepreneurs and project promoters will be given the unique opportunity to pitch their projects to a group of funders.
