Dear Tourism Stakeholder

Re – Participation in Tourism Buddy Learnership Programme

Tourism World Academy, a KZN based training and development company has over the years implemented training programmes and learnerships throughout the KZN province and country.

As part of job creation and skills development in the industry, it is once again planning the implementation of a Training Programme focusing on the Accommodation and Food and Beverage sectors.

The salient features of the Programme is as follows:

1. Unemployed matriculants to be selected.
2. Placed with Host Employers for a period of nine [9] months receiving experiential / practical training and mentorship.
3. Three [3] months of Theory training.
4. All beneficiaries would receive a monthly stipend of ±R2000 for twelve months.
5. Government funded project.

As part of the planning process, we would be required to ascertain the availability of Employers to host the learners for either one of the two programmes, i.e. Accommodation Services or Food and Beverage Services.
