

SUPPORT CENTRE MENTORSHIP

"To know the road ahead, ask those coming back" – Chinese Proverb

Do you sometimes wish there was a formula to get your business to where you would like it to be? Do you need someone to give you that extra push to get your business to that next level?

Who better to show you the way than someone who has been there before!

The Ilembe Chamber's Business Support Centre has recruited a group of passionate experienced businessmen who have volunteered to share their wealth of experience with aspiring business people.

To be linked to a mentor:

- Mentorship Fees:

Your first session is free. Thereafter there is a small commitment fee just to cement the relationship on both sides.
