## **Traffic Management Plan for Ballito**

### **Phase One of Construction:**

**Orange indicates – traffic**

**Blue indicates – construction work**

**During phase one of construction the flow of traffic will remain the same. There will be one lane open to traffic in both directions at all times.**

**At the traffic circle, there will be construction work taking place with concrete barriers placed around the traffic circle.**

### **Phase Two of Construction:**

**Orange indicates – traffic**

**Blue indicates – construction work**

**During phase two of construction, traffic will be put onto the construction work area from phase one.**

**Construction work will commence in the areas that traffic was flowing in phase one.**

### **Phase Three of Construction:**

**Orange indicates – traffic**

**Blue indicates – construction work**

**During phase three of construction , construction will take place in the areas that was left out during the construction phase of one and two.**

### **Pedestrians:**

**During construction there will be areas accommodating the pedestrian to pass through.**

**The pedestrian access at Life Style Shopping Mall will be closed at some point of the construction ,and pedestrian will have to use the main access point.**

**Road Closures:**

**Greenfields Road will be closed .**

**Date for the closure still to be confirmed.**

**One of the Ballito Junction Mall entrance will be closed.**

**Date of the closure still to be confirmed.**
