- Tree has done an audit on these 20 crèches and identified their needs.

- We would like to meet with some of the women in business forum ladies at the chamber offices at 11:30 am, who would like to come along for a site visit in Shayamoya - Shakaskraal
- We will depart from the Chamber offices at 12PM, make the site visit and depart straight to Hotel Izulu for lunch at 1 pm
- At the lunch, we will share with you what is desperately needed by these crèches and elect a steering committee.
- We can then brainstorm what can be done immediately before the formal training commences in early 2014

It is important to note that through this partnership we will develop 20 crèches which will have a direct impact on roughly 1000 vulnerable children under the age of 5.
